How to Access Services

Coordinated Entry Access Points

Assessment

Dynamic Housing Roster

Housing Referrals Prioritized by Need

Frequently Asked Questions

1. What is a Coordinated Entry System(CES)?

- Coordinated Entry matches people experiencing homelessness to available housing programs. It prioritizes those who are most in need of assistance.
- Referrals are made to permanent housing services, not shelters.

2. What is a CES Assessment?

- Used to determine eligibility for referrals to homeless permanent housing services.
- Places you on a centralized Dynamic Housing Roster so you don't have to apply program by program.
- Includes a standard assessment tool used to measure a person's vulnerability and housing needs.
- Matches you with housing services that meet your needs when they are available, although an assessment does not guarantee a referral.

3. What is the Dynamic Housing Roster?

- The Dynamic Housing Roster is a list of individuals, families, seniors, and transitional age youth who are experiencing homelessness prioritized by vulnerability.
- The Dynamic Housing Roster is a dynamic waiting list and does not guarantee referrals to any particular service or program.
- The most vulnerable, eligible, and most in need will be connected to available housing programs first.
- If you do not accept the housing referral offered to you, you will maintain your placement on the Dynamic Housing Roster and will be offered the next eligible referral.
- The Dynamic Housing Roster is stored in the Homeless Management Information System, which is not accessible to the public.

4. I've Completed my CES Assessment, Now What?

- Keep your contact and location information up to date with an Access Point
- Stay in contact with a Access Point, shelter, or outreach team every 90 days to maintain your active status on the Dynamic Housing Roster and eligibility for housing referrals.
- Update your Assessment annually or when a major life event occurs.
- Continue to pursue other housing options, services, and benefits. Most people who are on the list will NOT be offered a housing opportunity or will wait a very long time for a referral. This is currently due to the lack of housing opportunities.

5. What are My Rights as a Participant in Sonoma County's Coordinated Entry System?

- The Coordinated Entry System, Access Points and Cooperating Agencies must comply with the nondiscrimination provisions of federal civil rights laws, which bar discrimination on the basis of race, color, religion, national origin, sex, actual or perceived sexual orientation or gender identity, disability, familial status, marital status, citizenship (or lack thereof).
- You have the option for your information to be stored on the Dynamic Housing Roster anonymously, and it can be removed at any time.
- You can enroll in the Coordinated Entry System regardless of your legal status. Access Points and Cooperating Agencies have assistance in multiple languages
- The Release of Information you sign is valid for 3 years unless you state an expiration date prior to 3 years. Once your ROI expires, you will be dismissed from the system unless another ROI is signed to continue your enrollment.
- You can be dismissed from Coordinated Entry at any time. Any Access Point can be notified of the request and help facilitate the dismissal with Coordinated Entry staff.

6. How do I Submit a Complaint or Grievance?

- Please contact ce@homefirstsc.org or call (866) 542 5480 to file a complaint or grievance. HomeFirst does not have a say in housing decisions.

Frequently Asked Immigration Questions

Can Someone Who is Undocumented Enroll in Coordinated Entry?

- Yes, anyone who is undocumented can be enrolled in Coordinated Entry. Immigration status is not a barrier to enrollment.

Can Someone Who is Undocumented be Housed at any Coordinated Entry Referred Housing Program?

- While some programs do not take documentation status into account, there are some projects that require a person to be documented. A person's documentation status will not be used as a barrier for any referrals made through Coordinated Entry.

If I Receive a Housing Referral through Coordinated Entry, what Kind of Documents Do I Need to Give to the Housing Providers?

- The type of documentation that needs to be given to housing providers can vary from project to project. Typically, you will need to provide some form of identification and income verification.

What do You Do With a Person's Information Once Collected?

- Information is entered into the Homeless Management Information System (HMIS) which cannot be accessed by the public. We do not share your information with anyone outside of the cooperating agencies listed on the Release of Information.

- Comuníquese con un punto de acceso o equipo de apoyo cada 90 días.
- Actualice su evaluación anualmente o ante cambios importantes.

Give them a place to start

When a teen or young adult needs support, it's not always obvious where to start. Here are a few simple ways to help them take the first step in Soluna.

Soluna offers **free mental wellness support** for California residents ages 13 to 25, including self-guided activities, a moderated peer community, and 1:1 support from mental health practitioners — funded by the California Department of Health Care Services.

IF THEY'RE EXPERIENCING...	POINT THEM TO
A big test, performance, or game is causing nerves	Breathwork in the Activities tab
Their brain feels noisy	Noise Cleanse in the Activities tab
They're experiencing conflict with friends or peers	"Drama-free disagreements" in the content library
Their confidence is feeling shaken	Thought Shaker in the Activities tab
They need a moment to vent	Let It Out in the Activities tab
They need to find local resources for food, housing, or medical care	"Local services" button in the Safety tab

Soluna is not a crisis service. If a young person needs urgent support, call or text 988 for the Suicide & Crisis Lifeline.

In addition to these in-app features, Soluna coaches are available seven days a week for **no-cost, confidential, and judgement-free support.**

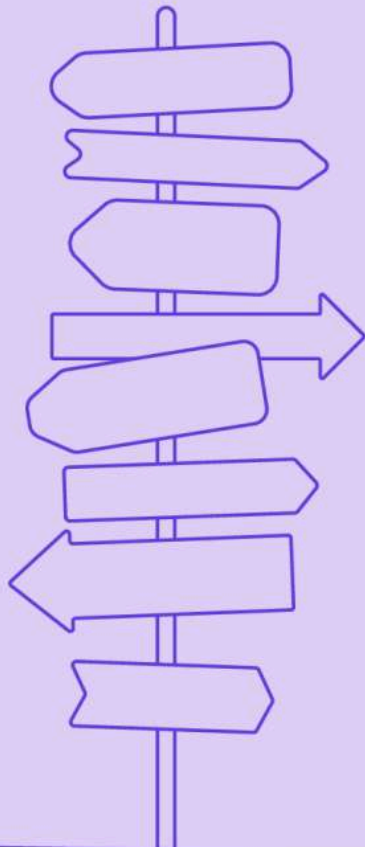

Getting started with Soluna is as simple as visiting the link or scanning here.

Dales un lugar donde empezar

Cuando un adolescente o joven necesita apoyo, no siempre está claro por dónde empezar. Estas son algunas formas sencillas para ayudarle a dar el primer paso en Soluna.

Soluna ofrece **apoyo de salud mental gratuito** a residentes de California entre 13 y 25 años, incluyendo actividades autoguiadas, una comunidad de pares moderada, y apoyo 1:1 de profesionales de salud mental, financiado por el Departamento de Servicios de Salud de California.

SI ESTÁ PASANDO POR...	INDÍCALE QUE ACUDA A
Un examen importante, una presentación o un partido provoca nerviosismo	Ejercicios de respiración en la pestaña Actividades
Su cerebro se siente ruidoso	Desintoxicación del ruido en la pestaña Actividades
Está experimentando conflictos con amigos o compañeros	"Desacuerdos sin dramas" en la biblioteca de contenidos
Su confianza se siente sacudida	Agitador de pensamientos en la pestaña Actividades
Necesita un momento para desahogarse	Déjalo salir en la pestaña Actividades
Necesita encontrar recursos locales para conseguir alimentos, vivienda o atención médica	Botón "Servicios locales" en la pestaña Seguridad

Soluna no es un servicio para casos de crisis. Si un joven necesita apoyo urgente, llama o envía un mensaje de texto al 988 para comunicarte con la Línea de Prevención del Suicidio y Crisis.

Además de estas funciones integradas en la app, los coaches de Soluna están disponibles los siete días de la semana para brindar **apoyo gratuito, confidencial y sin prejuicios.**

Gender Affirming Care Medication Access Project

The **Gender Affirming Care Medication Access Project** is a community collaboration aimed at increasing access to hormone prescriptions by offering the option to dispense up to a year's supply of medication at one time.

Currently, there are NO changes to hormone prescription access.

This program is designed to ensure access to medication IF there are disruptions to care in the future. The program is entirely optional. You can still pick up medications on a regular schedule with insurance coverage.

How does this work?

Through Lark Drugs Pharmacy only (16251 Main St, Guerneville, CA 95446; 707-869-9055), SRCH patients can be prescribed a year's supply of medications. There will be a note that says you can pick up a full year's prescription at one time or any component of that. The pharmacy will bill insurance to cover your medications. Whatever insurance will not cover will be offered at discounted pricing. The cost will be calculated by the pharmacy; contact Lark Drugs for more specific information.

Financial assistance may also be available through the community-based Gender-Affirming Care Medication Access Project Fund. For costs not covered by insurance, you will be offered the option to buy the medication at a "pay what you can" rate. You can discuss this further with the pharmacy when you pick up your prescription.
